1. The above Approval is for a period two years from the date of issue of this office memorandum or the date of expiry of BIS/ISO License (if applicable) whichever is earlier. The approval will automatically lapse at the end of this period. Performance of product shall be watched during this period and approval can be withdrawn in case of poor performance / non revalidation of BIS certification/product license even before this period.
2. The approval does not absolve the Executive/Supervisory officers concerned of their responsibility of exercising necessary checks like quality, rates & performance of the product while processing/using the same. Shortcoming/ deficiencies of serious nature, if observed while in use at site may be brought to the notice of this office.
3. The approval does not make the firm eligible for claiming the right to get the work done or items procured through them only. Work/procurement is subject to firm's competitive offers against other competing manufacturers/brands/suppliers as mentioned in NIT.
4. The performance of the firms shall be watched by field unit and report submitted to the approving authority for periodical review.
5. EEs and AEs may incorporate the above brand along with already approved other brand in the list of preferred make in the NIT approved by them in respect of work to be executed under jurisdiction of SE, Srinagar.
6. Approval can be withdrawn prematurely without assigning any reason on complaints or uncalled for product / poor performance/ non revalidation of BIS Certificate.

Cont.P/2

7. Continuance of this inclusion and further renewal is subject to satisfactory quality performance of this product of the manufacture and subject to validity of ISO Certificate /BIS license if applicable.
